Dear Hilus,

Some time ago we visited your studio in connection with an exhibition we were organizing entitled WILD WALLS, slated to open this autumn in the Stedelijk Museum in conjunction with its 100 year jubilee.

We have since selected the artists whose work we want to include in the exhibition. We regret that, in this case, your work will not be included. It isn't that we're not convinced of the quality of your work. Rather we have sought to bring together a variety of interrelated artistic positions and, in doing so, parameters had to be set.

We shall continue following your work with interest.

With all the best wishes,

Sincerely,

Leontine Coelewijn and Martijn van Nieuwenhuyzen
