Re: your Fax from Feb, 22nd - "Kettenanimation"

Dear Mme Vertueux,

we are very interested in showing excerpts of "Kettenanimation" in your program. I include more detailed information about the artists and the project. Unfortunately all the press articles I got for the Kettenanimation are in german. The mastercopy of "Kettenanimation" is Beta SP.

I also include information about HILUS, our organisation, and our projects. Within the next month I will send you a compilation of works of associated artists, that could be interesting for you.

regards from Vienna
