Dear David,
Thanks for waiting ! I asked about your flight, here the facts:

Would you like to arrive on March 3. ? (then you must leave on March 2.!)
Out of the booking-system, we will decide the departure time.
I hope that's ok! (no possibilities for changing later!)
It is no problem for us when you decide to stay for a while in Europe,
but we need to know the exact Day of departure (no changes later
possible!) and you must fly back from Vienna! (its still cheaper when you
fly from Brussels or elsewhere one way back to Vienna, like 4000.-austrian
shillings with PAX booking) .Otherwise our expenses explode !(up to
10000.-Ös)

The Austrian Television will broadcast a Unit-N Trailer. Do you agree for
broadcasting a 30 sec.excerpt of your video?(if i get it until Jan.18.!)
They pay 1000.- Ös per minute.

As soon as you are clear with the flight dates, we will book and the
ticket will be ready at the airport (Which one ??) in N.Y.
The hotel will be reserved for 5 nights near Unit-n.
We do our best for been able to pay you a per diem!
Following the list of participants at the On Line Symposion.

Hope to hear from you soon!

With kind regards!
