Dear Heather,
Good News !! We got the OK from our sponsor for 20 000.- Austrian
Schillings for your flight ! Now i have to verify, or you must pre-finance the
ticket and we give you the money in Vienna or however .Nevertheless i fax
you two versions of our official invitation, one in which we sponsor
accomodation and the other in which we sponsor airfair. If your funding is
against receipt ,its better to use the second one, otherwise the first.(Our
money is fixed on airfair,so anything you get from the Australia Council is
ours !!)

We also got from all invited artist positive reaction, so if you could stay until
March you will meet Walczak, Schoeber, Bec, Blair, Weiss, Zielinsky,
Kuffman, Van Gogh TV, Blake etc. and of course i will introduce you to
thousand others. (-:

Please fax your curriculum vitae and material for press-release.(B/W Foto,
short description of your work etc)

I hope for the best to meet you soon, although you must/should'nt realise
it's very cold European winter! (New Year minus 14 degrees!) But thats
one (for the moment!) .Otherwise there are beautiful possibilities to
skate on the Danube or the large Neusiedlersee !! I believe in Australia is
now summer, yes?

I look forward to see you in Vienna.

Love

Christoph Nebel
