Dear Christoph,

We will be arriving on flight no. TG 986Y Thai Airlines February 26 , 7.25 am. *to Vienna.*

Look forward to seeing you. This flight arrives extremely early so if you prefer we'll stop for coffee and then make our way to Herwig's place at a reasonable hour so that someone from UNITAN doesn't have to get out of bed at the crack of dawn given that you must all be running yourself ragged. Let me know what would suit you best

- Love

Heather
