Dear Louis Bec,

I am member of "suppose-network des amis de Vilem Flusser" and "Hilus".

Hilus is a Group of independent Artist and does research in Media-art. 1993 we will realise a 3 Month project in Vienna, in which we invite Artists to present their work. It will be a 3 Month platform with Discussions, Lectures, Performances, Symposion and Presentations from Young Artists and Theorists followed by a special Issue from the 2 Austrian Media-art Magazines Eikon and Medien.Kunst.Passagen.

I am organising "Binary Window", a presentation about Computeranimation and **would like to invite you** for a Presentation/Lecture, out of your outstanding work in the field of Computerart.

Date: 12/13/14. Feb. or 19/20/21. Feb. 1993
Place: Vienna/Austria

We can offer you Flight [AUA-Destinations] and accommodation [Hotel], also Sony Beamer, Monitors, Slide Projector etc. for your Lecture and work. [We will organise translation]

I hope our very short planning Time still allows you to come ! If you are interested in my offer, please give me as soon as possible a short call and/or write.
[Fax number ?]

With kind regards!

Christoph Nebel, Vienna
