VIENNA, am 27.9.1996

Dear Dmitry Shubin, Dear Dmitry Golyenko,

herwig turk, wolfgang reichmann and me will be luckily arriving at the st. petersburg airport on tuesday, october 1st at 14.55 with flight austrian airlines OS 611 L.

it would be very nice if somebody of your organisation could pick us up at the airport, since we are not so experienced with the local transportations system.

for the exhibition:

i am presenting three fotos which are 100 x 190 cm each, so i need 7 meters free wallspace.

herwig turk is presenting one foto. which is 200 x 200 cm, wolfgang reichmann is presenting a foto of almost the same size.

i hope that everything is ok,

see you so
